

ISAAC LEFOHN

Finance Student | Honors Scholar | Technical & Analytical Background

Corvallis, OR • (503) 847-7976 • kiwilefohn@gmail.com • linkedin.com/in/isaac-lefohn-472a152bo

Finance student at Oregon State University with a unique combination of technical and analytical skills. Strong foundation in financial accounting, economics, and quantitative analysis, complemented by programming experience in Python and engineering coursework. Demonstrated analytical capabilities through rigorous coursework in calculus, statistics, and computer science. Proven track record of accuracy and accountability in cash handling and financial reconciliation across multiple environments. Seeking opportunities in the financial industry where technical skills and financial acumen can drive innovative solutions.
